CHARLOTTE COUNTY SENIORS RESOURCE CENTRE

NOVEMBER 2026

As November arrives and the days grow shorter, it is a wonderful time to focus on staying warm, healthy, and connected with our community. As we prepare for the winter months, it's a good time to prepare for the colder weather by checking your winter supplies, ensuring your home is safe and comfortable, and advance planning for appointments, transportation, and essential errands.

On Remembrance Day - Wednesday, November 11th, we honour the courage, service, and sacrifice of the brave men and women who served our country and those who continue to serve today. We remember those who gave their lives for our freedom and recognize the lasting impact their service has had on our families and communities. We will remember them.

Wishing you a peaceful November filled with warmth, gratitude, and moments of connection.

With warm wishes,
Emma, Carole, Shannon, Angela, Amanda & Patti

FREE BASIC OUTDOOR CHRISTMAS LIGHT INSTALLATION / TAKE-DOWN

Once again this season, the Charlotte County Seniors Resource Centre has once again partnered with NBCC Electrical Program staff and students to assist seniors (60+) **within St. Andrews town limits** with outdoor light installation. Christmas light installation elves are available to turn your home into a festive masterpiece, spreading joy and cheer through the neighbourhood. With student safety in mind, students will **NOT** be installing lights while working from the roof – only in areas accessible by ladders. Residents will provide their own lights for installation – there are a small number of donated lights available for loan if a senior is in need.

Limited booking slots are available, so if you are interested in taking part in this program, please call or email Shannon to discuss your installation needs @ 506-408-0041 or office@charlottecountyseniors.ca
