## PENNFIELD RIDGE AIR STATION CEREMONY

On Friday, June 7, 2024, a ceremony at the former Pennfield Ridge Air Station marked the 100th anniversary of the Royal Canadian Air Force, established in 1924. The event also honoured 70 aviators from Canada, Australia, New Zealand, and the United Kingdom who perished at Pennfield Ridge during World War II. Canada's Governor General Mary Simon and Lieutenant Governor of New Brunswick Brenda Murphy joined aviation veterans and officials for the commemoration.

Highlights included the unveiling of two seven-foot-high black granite tablets listing the names of the fallen airmen. A St. George Red Granite sculpture depicting the 1924 RCAF badge was also revealed, surrounded by spruce trees shaped like the RCAF Roundel, poppies, and flowers. Local elementary students planted poppies and formed an honour guard.
